RECOGNIZING THE 30TH ANNIVERSARY OF HABITAT FOR HUMANITY NORTHEAST MICHIGAN

HON. JACK BERGMAN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 19, 2019

Mr. BERGMAN. Madam Speaker, it is my honor to recognize the 30th Anniversary of Habitat for Humanity Northeast Michigan. Through their dedicated service and steadfast devotion to their community, HFHNEMI has become an indispensable part of Michigan's First District.

Habitat for Humanity was founded in 1976 with the goal of helping Americans in need fulfill the dream of home ownership while fostering safe and healthy communities. In total, Habitat for Humanity has helped build or repair more than 800,000 homes and served more than 4 million people around the world. With their first home built in 1990, the volunteers and staff of HFHNEMI have served the people of Northern Michigan for three decades. In 2013, it implemented Habitat for Humanity's "A Brush With Kindness" program, providing critical repair services to low-income homeowners who are physically or financially unable to maintain their homes. These projects have included painting, landscaping, roofing, and accessibility improvements throughout Northeast Michigan. Since its founding, HFHNEMI has built, rehabbed, or repaired more than 80 homes for low-income families in Alcona, Alpena, and Presque Isle counties. Day after day, Habitat for Humanity Northeast Michigan shows what can be achieved when the people of a community work together for the common good.

Madam Speaker, it's my honor to recognize Habitat for Humanity Northeast Michigan for decades of success and service to Northern Michigan. Michiganders can take great pride in knowing the First District is home to such dedicated citizens. On behalf of my constituents, I wish them all the best in their future endeavors.

IN RECOGNITION OF THE 20TH ANNIVERSARY OF THE PROGRAM IN BIOMEDICAL SCIENCES

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 19, 2019

Mrs. DINGELL. Madam Speaker, I rise today to recognize the 20th anniversary of the Program in Biomedical Sciences at the University of Michigan Medical School.

In 1999, the Program in Biomedical Sciences (PIBS) at the University of Michigan Medical School was established to offer students a unique flexibility in their academic pursuits. As an interdisciplinary gateway, the program allows students to access 14 different Ph.D. programs through one application. Al-

though students can immediately begin training in one program, PIBS is designed to give students the opportunity to immerse themselves in a variety of different research rotations to find their ideal mentor and project match. Based on their discovered research interests and the help of over 500 faculty members, program directors, and academic advisors, students choose a permanent program to continue by the end of their first PIBS year, sometimes in a far different research area than originally anticipated.

The biomedical sciences are demanding disciplines, but PIBS has made the fields of study less daunting for many students who have entered its Ph.D. programs. Throughout the past two decades, PIBS has been helping students become more confident in their career paths by allowing them to take the time to cultivate their interests and explore different opportunities to discover their research passions. Thanks to the program, countless students have been trained to guide the nation in scientific discovery, truly becoming the leaders and best.

Madam Speaker, I ask my colleagues to join me in honoring the Program in Biomedical Sciences at the University of Michigan Medical School for its significant work in the biomedical sciences. For twenty years, PIBS has played a fundamental role in educating our nation's sharpest minds.

HONORING ANNIE "ANNA" MAE STEWART

Thursday, September 19, 2019

Mr. PAYNE. Madam Speaker, I ask my colleagues in the U.S. House of Representatives to join me as I rise to pay tribute to Annie "Anna" Mae Stewart after her passing on August 3, 2019.

On April 9, 1917, Anna Mae Johnson entered the world as the eldest child born to Elder Allen Waters and Elizabeth Johnson in Washington, DC.

She met and married Charles Earl Stewart on Oct 8, 1937 at St Augustine's Catholic Church. She chose to follow her husband in his faith and converted to Catholicism in 1951 at Our Lady of Perpetual Help Catholic Church (OLPH).

Anna began working at St Teresa's convent and later worked at the OLPH rectory, a career that would last for more than 20 years. There she fostered close relationships with many priests and seminarians, such as George Leary, Jr., a man who would become a surrogate son.

She was actively involved in parent, school and church organizations, including Confraternity of Christian Doctrine, Baptism and Confirmation prep, catechist and a passionate Catholic Youth Organization advisor. She was an active member of other organizations, such as St Joseph's Ladies' Auxiliary No. 213 KOSJI Sodality, Legion of Mary, Catholic Charities, Cursillistas, OLPH Hilltoppers, OLPH Women's Ministry, and her two favorites, Eucharistic Ministry and Lector. She enjoyed being of service to her church community in every way possible.

Anna was also a dedicated community activist. She joined her local Orange Hat Coali-

tion and helped rid her neighborhood of drug dealers at the height of the crack cocaine epidemic. She was instrumental in getting the Eastover Shopping Center integrated, which led to her recognition for her commitment to the civil rights movement. She was acknowledged by Sigma Gamma Rho Sorority, Inc as a Village Keeper for that effort and received other honors, including Mother of the Year 1960 and 1963 by the Afro American newspaper. She participated in the March on Washington in 1967 and took much pride in voting for the first Black President in 2008.

Madam Speaker, I know my fellow members of the U.S. House of Representatives agree that Anna Mae Stewart deserves to be recognized at the time of her passing for her dedication to her church, her family, and her community.
